ONE WORLD OPTIMIZATION SEMINAR

April 20th, 2020 @ 15:00 CEST (Central European Summer Time)

MARC TEBoulLE

(Tel Aviv University)

Hidden Convexity in Nonconvex Quadratic Optimization

Abstract. Surprise talk.

The link of the zoom-room of the meeting and the corresponding password will be announced the day before the talk on the mailing list of the seminar, to which one can subscribe on <https://owos.univie.ac.at>.
